

St Lukes Guest Wifi Acceptable Use Policy

St Luke's Church, Canning Crescent grants you access to its WiFi network providing you agree to abide by this policy.

Introduction

This policy outlines the standards which St Luke's requires all users of its electronic communications systems and equipment to follow.

What is covered by the Policy?

The use of the WiFi network supplied by St Luke's Church.

Who is covered by the policy?

This policy covers all individuals who wish to use the WiFi network supplied by St Luke's Church.

Internet Use

It is our church policy not to allow unsupervised internet access to under 18's or vulnerable adults. Should individuals or groups wish to use our Wifi facilities, they must ensure under 18's and vulnerable adults follow this policy, or internet access will be withdrawn.

Users are reminded that their use of the Internet will be directly traceable to our Internet address.

We therefore ask you not to visit sites which are:

- Illegal under current law
- Defamatory, threatening or intimidatory or which could be classed as harassment
- Contain obscene, profane or abusive language
- Contain pornographic material whether in writing, pictures, films or video clips
- Contain offensive material regarding sex, race, religion or any disability or sexual orientation
- Infringe third party rights or otherwise unlawful

Internet Content

St Luke's Church reserves the right to block access to any site.

St Luke's Church will take reasonable steps to block any site that it deems inappropriate. However, we cannot guarantee that all inappropriate content will be blocked. If you gain access to a site that you deem inappropriate, close your web browser immediately.

Systems and Data Security

St Luke's will provide Internet access via the wireless network and will undertake reasonable steps to ensure it is secure from unauthorised users. However, no guarantee can be made to this effect. You are responsible for your own anti-virus and anti-malware precautions. St Luke's Church will not be held responsible for any damage to your equipment whilst connected to its network.

You should not attempt to gain access to restricted areas of the network or to any password protected information without being duly authorised to do so.

Monitoring and Compliance

St Luke's Church reserves the right to protect its network and systems by recording user ACTIVITY but not CONTENT. That is to say, no CONTENT will be captured but that a list of surfing activity may be recorded;

- To ensure that the use of the system is legitimate and in accordance with this policy
- To comply with any legal obligation

If the use constitutes a criminal offence, the information will be handed to the police.
